

Companions,

I hope everyone had an enjoyable holidays and are not suffering from the cold too much. The first thing is I have to correct an error in my last posting. I mistakenly wrote that the instruction for this year is in the Select Masters Degree when it is actually in the Royal Masters Degree. I greatly apologize for the error.

The time is fast approaching for the festivals. Kalamazoo on March 7, Monroe #1 in Detroit on April 18 and Strawberry Festival in Mason on April 25th. Make plans come out and join in the fellowship and participate in the degree work.

Work is progressing on the new ritual and it is very near to being sent to the printers. I think the companions will be very pleased when they see it.

I hope to get the chance to see you at one of the festivals.

Yours in service,
Stephen R. Striggow
GPCW
